Material: Archival Inkjet Prints (Framed)

Dimensions: 60IN x 75.5IN x 3.25IN (191.7CM x 152.4CM x 3.25CM)

*Members Only* is a series of large-scale color photographs that represent the interior spaces of a selection of historical North American private clubs from both a political and an aesthetic standpoint. The work serves as a meditation on the meaning of exclusivity based on notions of wealth, power and class distinction. The images are intended to both confront the viewer in terms of how built environment is integrated within our imaginative realm and to identify the society and ideals that maintain these particular institutions.
